Parents Support:

We designed this course also to maintain transparency between the parent and the institute so that the parents always track the progress of the child and see how their plant is growing with the learning temple manure

In this process we always organised a Parent Teacher Meeting where our parents and our academic team come for a meet and discuss the progress of the child.

In this we also provide you a Monthly Report card for all subject so that you have also an eye on the child progress.

Batch Size:

Learning Temple Academy also prefer Quality over Quantity and we believe we pay more attention on small batch as compared to large so the Standard Batch size of any Branch classroom always be 25 Students per Batch.

Interactive Classroom:

We always heard from our elder's that if you understand the things practically you never ever going to forget that so in the footsteps of our elders, we your learning temple team offers practical or Interactive classroom to provide a deep Knowledge to the students.
